

Love changes everything

The music of Andrew Lloyd Webber

Violine

Love, love chan-ges
 ev-ery-thing hands and faces earth and sky Love, love chan-ges everything how you
 days are longer, words mean more pain is
 live and how you die. Love can make the summer fly or a night seem like a
 deep-er than be-fore Love will turn your world around and the world will last for
 life-time ev-er Yes love, love changes everything, now I trem-ble at your name.
 brings you glo-ry brings you shame
 Nothing in the world will ever be the same
